

Ambassador Spotlight

2020

Meet Bianca Meade

About me...

How many years have you been with PCI Group?

I have been with PCI Group for 4 years.

What is your favorite part of your job?

I enjoy being able to problem-solve and having to think outside the box each and every day.

What is the most important attribute you bring to your job?

I am a very positive person, and I am willing to help any team member with any task. I am also knowledgeable on different departments.

What is your favorite quote to live by and why?

"Do not conform to the pattern of this world but be transformed by the renewing of your mind." Romans 12:2 NIV

I live by these words to remind me that it is okay to not be like everyone else. Also, to help me stay accountable so that I am consistently renewing my mind that it may transform me into a better person than I was yesterday.

What do you wish to accomplish with your role as an Ambassador?

I hope that I am able to show our new hires the opportunities that PCI has to offer. I have learned over the past four years that if you are willing to work for them, they will work for you. PCI loves their employees.

Best advice for a new employee:

If you work for the company, they will work for you. Meaning if you show up every day you are scheduled and work hard even when things seem crazy, this company will notice, and you will get the credit you deserve.
