

Ambassador Spotlight

2020

Meet Derek Grimes

About me...

How many years have you been with PCI Group?

5 years

What's your favorite part of your job?

I love making sure we close out our jobs each night on time (SLA). Also, I love seeing the success of employees who put forth a good effort and become great PCI employees.

What is the most important attribute you bring to your job?

I think I'm a good multitasker and am able to wear a lot of different hats each night. I try to help each employee with concerns the best I can. If I don't know the answer, I will do my best to get one.

What is your favorite quote to live by and why?

"You miss 100% of the shots you don't take" by Wayne Gretzky. It's a great to me because you can't have success unless you try.

What do you wish to accomplish with your role as an Ambassador?

I want to welcome and help new hires feel comfortable in the first 90 days here at PCI. Starting a new job can be difficult and I want to give them the support they deserve.

Best advice for a new employee:

Work hard and give 110% in everything you do in life. Hard work pays off.

Interesting Facts

*Do we have
anything in
common?*

I was a UPS driver in NYC Times Square for 10 years. I have lots of stories.

I traveled Europe with a friend when I was younger. What an experience!

I love to collect baseball cards and memorabilia.

I have 4 children and enjoy watching them compete in their favorite sports.

Some of my harder jobs (dishwasher etc.) when I was younger help me appreciate what I have now.
