Meet Lamar Fields

About me...

How many years have you been with PCI Group?

I have been with PCI Group for 6 months (as of December 2019).

What's your favorite part of your job?

My co-workers.

What is the most important attribute you bring to your job?

Patience

What is your favorite quote to live by and why?

You only live once so make the most of it.

What do you wish to accomplish with your role as an Ambassador?

I'm just a laid-back person and very straight forward in what I want to do. I don't want to sugar coat things and I don't like drama. What I hope to accomplish with the Ambassador program is to make the new hires comfortable and feel like family and help them accomplish long term goals here.

Best advice for a new employee:

Don't get frustrated or irritated your first week if it doesn't go the way you want it or if you think you can't do the job. Takes time and patience and will get easier if you stay focused.
