## Meet Taylor Ray

### *About me...*

**How many years have you been with PCI Group?**

About a year and a half

**What's your favorite part of your job?**

The work doesn't seem that stressful when you have your coworkers (family) to help brighten your day.

**What is the most important attribute you bring to your job?**

I am a hard worker and I love making people smile.

**What is your favorite quote to live by and why?**

"I can do all things through Christ which strengthened me." To me it means that I can get through any storm, battle, or issue with God on my side.

**What do you hope to accomplish with your role in the Ambassador Program?**

I love helping people in any way that I can, whether it's been a bad day or to help with work. I always try to cheer people up because it makes me feel better when I do. I hope that I can help someone stay here at PCI and help them feel welcomed. I also want to help them if they need it whatever the case may be.

**Best advice for a new employee:**

To always be positive!
